Cheney & Co., Toledo, Ohio, is a constitutional remedy, is taken internally and acts thru the Blood on the Mucous Surfaces of the System. Heroic Wireless Operator.

The heroic conduct of Vignola, the wireless operator in the Messageries liner Natal, sunk in the Mediterranean, was brought to light by survivors. When the collision occurred Vignola, who had been temporarily relieved by a petty officer, rushed to his post and telling his substitute to save himself, sent out a signal of distress. Then he reported to the captain, who replied, "All right, now save yourself!" Instead of doing so the operator returned to his telegraph cabin and with absolute calm sent out fresh signals, which were picked up by the Marcellus station. When the ship sank a quarter of an hour later Vignola went down with it.
